

Weekly Distance Learning
Tri-Tech Skills Center

Week	May 11 - May 15
Program	Digital Arts & Filmmaking
Teacher	Mike Greif
Office Hours	7am - 9pm
What Delivery Method(s) you are using?	I created a video that spells out exactly my expectations. I am communicating thru Remind 101, then directing them to access their KSD email for the assignment, which I'll give on Sunday, Tuesday & Thursdays. They can respond thru the emails.
How are you Communicating with families?	Many parents are on Remind. I also emailed all parents and told them my plans and how to communicate.
How are you Monitoring Students? Ie spreadsheet, roster, etc. The work is not graded.	I am using an Excel spreadsheet with my class roster that I'm keeping track of who participates for each assignment.
Learning Goals & Expectations for the week	I have 3 assignments given on Monday, Wednesday and Friday for each week. They're expected to watch a video with a link or read an article with a link I provide. They will be answering some questions about the video/article. Monday – Article/Video “The Hidden Power of Smiling” Wed – Article “Heinz Created A Ketchup Puzzle” Friday – Article –“Designer Emojis for Graphic Designers”
